Launched in 2010, by husband and wife Michael & Michelle love.fish was one of the first sustainable and all Australian casual seafood eateries in Sydney.

As we begin our fifteenth year, love.fish still has the soul and authentic story of a family run business; our heart and values remain unchanged.

Celebrate fresh Australian seafood, make it uncomplicated and accessible to all. At love.fish we make quality seafood an everyday experience for everyday Australians.

We are all about approachable, local seafood that doesn't cost the earth because it doesn't need to.
